

THE SKYSCAPE

BY RICHARD HUTTEN

With his head in the clouds. That is where Richard Hutten sat while he was designing The Skyscape. In this room, large groups can escape to the sky and attend inspiring presentations and sessions while sitting on the Hutten-designed chairs. Your presentations will defy gravity. A large space that, despite its size, feels personal. The most beautiful colours shine bright throughout the ceiling, which continuously change. Can you feel the magic in this room?
