

THE PINK SALON

BY INEKE HANS

No black and white thinking in The Pink Salon. Ineke Hans - one of Netherlands' most successful designers - has made a beautiful space in which everything is possible. From board meeting to promotion interview, from romantic dinner to getting your nails done. In this room, Pink is always in season.

The ten Roald chairs in the room can be positioned flexibly in space. The Roald chair, inspired on the chair on which Roald Dahl wrote his children's books, is a chair and a desk in one and, like the room itself, Roald is pink. Roald makes the Pink Salon suitable for all kinds of activities. The pink doors of the salon are always open.
