

CREATIVITY WITH A CAPITAL C

In what once was the centre of the Amsterdam diamond trade, you can now find the creative hub of the city: Capital C. Here, in the city centre of Amsterdam, we support creatives of every level and celebrate creativity of all kinds.

At Capital C, we know that creativity is not a mysterious gift that some people have and others don't. Rather, we understand that creativity is an undefined sum of intelligence, professionalism, dedication, humor, social skills, confidence and sometimes just dumb luck.

We understand that you sometimes need to think up 567 horrible ideas before you come up with something brilliant, or at least, something potentially brilliant. At Capital C, we offer space for the 567 horrible ideas and for the one idea that just might change the world – or your world.

MEETINGS & EVENTS

Twenty Dutch designers worked on the interior of our event venue and meeting rooms. Every room breathes creativity. From hundreds of ticking clocks in the Clock Tower to a spectacular view over the city in The High Light. We know how to impress you and your guest! Whether you're hosting a conference, meeting and/or dinner. We got you covered.

Capital C offers an hourly rate + discount on all our meeting facilities. We would be delighted to talk about your meeting & events need, to add a tailor-made proposal next to your office!

MEMBERSHIP INCLUDED

As a member of Capital C you also get access to our community program which allows you to join interesting (&fun) events.

Looking for a (not so) business lunch spot? Join us on The Peel Plaza, where you can take your lunch break. Rather fancy things up? At Capital Kitchen we'll reserve you a table for a seated lunch with canal view. End your day in style with drinks served at the bar, all with a community discount (no joke).

The office space can grow together with your business. Our community membership comes with loads of benefits; events, free fruit, lunch discount, meeting room discount and maybe something extra....

LUNCH, MEALS, COFFEE,
EVENTS, ART, WE GOT IT ALL.
